

Business Consultant

Employco provides comprehensive Human Resource and employee related Insurance/Benefit solutions to small and Mid-size companies. We are currently looking to bring in seasoned B2B sales professionals with a minimum of 3 years experience.

In this position, you will be responsible for communicating our outsourcing concept to business owners in the Chicago land area with no territory constraints. Our services of Human Resources, government compliance and Employee Related benefits enable business owners to focus their attention on growing their businesses while we take care of the details.

This is a Hunter position. You must develop and prospect leads, build solid relationships, consult with decision makers and close the deal. Excellent support staff is available to assist in the closing and Employco will provide on-site training.
