

Insurance Producer

Employco is looking for experienced, licensed sales producers in the areas of business insurance and health insurance. We are looking for aggressive individuals who are willing to prospect their own clients and work independently. All sales employees are required to meet monthly production goals and report to the sales manager.

Requirements:

- We are looking for a talented, outgoing professional with strong communication skills, personable attitude and high sales aptitude.
- Must be a self-starter.
- Must be proficient with Microsoft Office.
- Must be licensed.
